

## Chapter 9 Activity : Discussion Questions for Building Bridges to the Future

1. Review Figure 9.2, how do you see the pillars (leadership, mental models, strategy, change, engagement, metrics, sustainable globalization, sustainability models) supporting this journey towards the Sustainable Enterprise?

2. Which of the 10 Driving Forces for Change would you see as a quick fix for your organization to support?

3. Which of the 10 Restraining Forces Impeding Change would you identify as an issue in an organization that you are part of?

5. What is your story that caused you to be interested in the topic of sustainability?

6. How do you think personal/organization values play into deepening a commitment to sustainability?
